## NOTES

1. Standard Membership from 27 years of age and over.
  - a. Some members have paid for a life membership in the past and their membership number is preceded by the letter L. These members are still due to pay BGA & SGA capitation annually.
2. Junior (12-21 years) - the age at renewal date, and capitation is not charged. Junior (22-26 years) - the age at renewal date and capitation to BGA/SGA is charged. A Direct Debit arrangement is required.
3. Cadet (12-17 years) - the age at renewal date (consult board for eligibility). Cadets are entitled to a 50% reduction in flying fees on SGC gliders only - WA1 and GBB are charged at full rate.
4. CASC All-Inclusive membership - This is a special class of membership to ensure gliding is accessible to all. To check eligibility and provide your personal financial situation in confidence please apply by email to [treasurer@scottishglidingcentre.co.uk](mailto:treasurer@scottishglidingcentre.co.uk) See Below for full conditions.
5. Associate member - for any non-flying member to be permitted airside.
6. Day member (visitor) or Friends & Family guest
  - a. Members may bring along an unlimited number of day guests, who will be charged the day membership fee and be allowed to fly all day at club rates (subject to all the same restrictions as members; flying list, etc.). A form I001 must be completed for each day guest. No single guest will be allowed more than 5 visits per annum when flying in club gliders. All flights are logged to I0001 and the host members account number to be written on the log sheet in place of the voucher number. The flight and guest fee will be charged to the host member's account.
  - b. Day guests brought on-site by members to fly in privately owned 2 seat aircraft (gliders, motor gliders or powered aircraft) will be charged the same day member rate. Dimona Syndicate day guests are automatically covered under the agreement with the club for use of the aircraft.
  - c. Subject to board approval, former members may be allowed day membership from time to time.
7. Week Visitor is for visitors from any non-Scottish Gliding Association clubs.
8. Scottish Gliding Association gliding clubs - Highland Gliding Club, Cairngorm Gliding Club, Deeside Gliding Club, Dumfries & District Gliding Club, and Borders Gliding Club have a free inter-club reciprocal arrangement. There is a limit of 6 visits to SGC per annum.
9. Membership of the SGC is for 1 full year. It is a condition of membership that the monthly direct debit option is for the full 12 months. Any lapse in payments will result in membership being cancelled and, if a request to rejoin is made within 12 months of the cancellation, then a rejoining fee the equivalent of 6 months of the appropriate fee will be charged as a lump sum with no monthly payment option.
  - Membership renewal falls due on the 1st of April each year for all members and is payable by direct debit as 1 annual payment or 12 monthly payments. New members joining mid-year pay the full annual amount for that year but a reduced, pro-rata, fee at renewal on 1<sup>st</sup> April.
  - A direct debit arrangement is a condition of membership for all Membership Categories. Whilst credit/debit card payments can also be accepted in the office other forms of payment can not - this includes bank transfers / standing orders.
10. **Logging**

It is the pilot's responsibility to ensure that their flight is correctly and legibly logged with accurate take-off and landing times. Any pilot not logged down at the end of the day in club gliders will be charged for flying until the official last landing time.

11. Members paying their membership in full must ensure that their flying accounts are kept in credit. Any members whose flying account is in arrears will be sent a statement at the end of the month and payment will be expected within 14 days. Debts over 30 days will result in flying privileges being revoked until payment in full has been made.

**12. Workshop**

It is intended that the club workshop should be available to members for routine maintenance and minor repairs free of charge. Charges will be applied after 14 days of occupation to encourage members to complete work promptly and make space available for other members.

**13. Caravan/Motorhome**

Caravan site stances are available to full club members only and by arrangement with the caravan site committee, subject to a minimum of 10 hours flying per year. A 1 year's sabbatical can be requested from the club board, but thereafter if unable to maintain the minimum hours flying rule, then will be expected to give up their caravan stance.

Visitors may be offered short-term parking adjacent to the caravan site but only by prior arrangement with the club management.

**14. Security of members property**

Please note that property, e.g. all aircraft, trailers, and caravans, etc. are brought onto the airfield at the owner's risk. The club reserves the right to move any property without notice if it becomes a hazard or an obstruction or if it is felt the property is endangered.

**15. Aerotows**

All aerotows are charged by the heights recorded by the tug pilot.

**16. Glider Hire**

The glider hire rates are applicable for every day the glider is offsite regardless of the amount of flying achieved. Board and CFI approval must be sought for any glider hire.

**17. Facilities Fees**

Charges for using the club's facilities are included in all hangarage charges. For those members or visitors with their glider on site, but not renting hangar space then the relevant charges are applied. All members flying in a syndicated aircraft permanently based at Portmoak must be full SGC members.

**18. Dimona SLMG**

The charges for the Dimona are based on Tacho time (engine running time) and to the nearest 1/10<sup>th</sup> of an hour.

**19. CASC All-Inclusive membership is subject to the following conditions**

- a. The annual fee includes:
  - i. A limit to 52 launches (either winch or 1000' aerotow)
  - ii. A limit of 600 minutes of flying time annual total
  - iii. A limit of 30 minutes on any one flight.
- b. Flying limited to SGC club gliders only
- c. Solo and instructional flights are both included.
- d. Flying limited to two weekdays and one weekend day only, to be nominated and fixed at the start of the membership year. Changes to the flying days will be permitted on reasonable grounds but must be pre-agreed.
- e. Members are responsible for monitoring their flying under this scheme. If a member flies in excess of the guidelines or on days other than the nominated days then they will revert to standard membership and be retrospectively charged for all launches and flying fees.
- f. No refund is available if a member does not take a full quota of flights/launches (52) or flight time in the membership year.
- g. For existing SGC members, entry into this membership class will only be permitted once any current membership year finishes.
- h. If members wish to stop participating in this class of membership then refunds are available and will be the lowest of:
  - i. A pro-rata sum based on the remaining full calendar months of membership versus 12 months or
  - ii. A pro-rata sum based on the remaining launches versus the 52 launch limit or
  - iii. A pro-rata sum based on the remaining flying time versus the 600 minutes limit
