Aircraft Information

There is more information on our fleet:

- Perkoz (LZS)
- K21 (WA1)
- Tug (G-OSGC)
- SZD Junior flight manual
- G-OSGU & G-OSGC check details
- Useful library of glider data sheets

We also own two K21s (JGJ and LOV) and three Juniors (FFY, FUS and HHD).

Our gliders all live in our modern easy access glider hangar, and the tugs have their own hangar adjacent to the fuel point.
