Airfield Manual

Greetings!

Dear Member / Visitor,

Welcome to the Scottish Gliding Centre at Portmoak.

These notes have been written for the guidance of existing members, new members, and visitors to Portmoak; they are available on our website and as hard copies in the club house. Please read them and follow them to the best extent possible.

It is our intention to create a flying environment where flying is fun and safe and is conducted within a controlled but relaxed atmosphere. Should you have any problems, please let me or any of our instructors know and we will help all we can. Feedback on the operation of the airfield or on these notes is very welcome and can be given to any member of the club Board – their names and photos are displayed on the board in the clubhouse entrance – or to the CFI.

Happy and safe flying,

Kate Byrne

Senior Regional Examiner
