Evening Talks 1

Evening Talks

Each winter a series of talks is run. Previous to 2020/21 these have been held in the Briefing Room, or occasionally the Club Room for a particularly popular talk. However in 2020/21 we are holding them via Zoom.

The files are a mix of PDF and PowerPoint presentations. If you don't have PowerPoint, this link might help you to view the presentations. Open Office and Libre Office are alternatives.

Becoming an Inspector	Jim Thompson	View
