

XC

This page supplements the [Airfield Manual](#), in particular [D. Cross Country Flying](#). Following are a list of links that might be of use to XC pilots. Some of these links are also in other parts of the Airfield Manual.

Links and Resources

- [BGA Turning Points](#)
- [BGA XC Ladder](#)
- [Dick Johnson's articles on glider performance](#). NB Some are a little dated, on glider performance, and the SSA have now made these articles available to members only so this page is provided via the Wayback Machine internet archive engine.
- [SGU Flarm Report](#)
- [Sporting Code Section 3 - Edition 2022.pdf\(329 KB\)](#)
- [Evening Talks](#)
- [Thermal Task Setting](#)
- CCE (Cross Country Endorsement) ground school course: [session 1](#), [session 2](#), [session 3](#)
- [XCSoar and Airspace](#) - slides from Kate Byrne's talk;

- [Kate's How to download airspace](#)
- [SGC Trophies and rules](#)
- [Scottish Land-out Fields Database - zipped CUP file](#)
- [Scottish Land-out Fields Database - zipped Excel file](#)
- [Scottish Land-out Fields displayed on Google Maps](#)
